## // INTERESTS

Electronics - I have always liked to keep up to date with all the latest in tech, especially 3D printing technologies and consumer electronics.

Audio books - I like listening to audio-books when I'm on the go or at the gym.

Cooking - During my free time, I enjoy cooking and trying recipes from different cuisines all over the world.

## PROFILE

I am a product design graduate from Coventry University, with an engineering background and over 4 years of industry experience. I am actively pursuing an opportunity to apply my skills and enthusiasm to an exciting new role. Proficient in a diverse range of design skills, I am self-motivated, detail-oriented and always eager to learn and develop further.

## EDUCATION

● PRODUCT DESIGN BA (Hons)  
Coventry University  
First Class with Honours  
2018 - 2021 Coventry, UK

● DESIGN ENGINEERING BSc  
Bournemouth University

## EXPERIENCE

2024 - 2025  
Stamford, UK

● PRODUCT DESIGNER  
Willowbrook Education

During my time at Willowbrook, I led the design and engineering of over 80 products for the new Herok educational furniture range, as well as creating photorealistic renders in a variety of colours and configurations.

2023 - 2024  
Peterborough, UK

● VISUAL DESIGNER  
Freelance

Freelancing has allowed me to expand my design skills and work on exciting projects, such as developing a range of product visualisations for the Alpine F1 team, in collaboration with Brand Collective Ltd.

2021- 2023  
Corby, UK

● 3D VISUALISER AND PRODUCT DESIGNER  
Chiltern Oak Furniture

At Chiltern Oak, I contributed to diverse projects, creating photorealistic CGI renderings, developing 3D models, and designing more than 23 new products from inception to production ready engineering drawings.

2017- 2018  
Peterborough, UK  
Coventry, UK

● SALES ASSISTANT  
Vodafone

2013- 2013  
Peterborough, UK

● SALES ASSISTANT  
John Lewis
